

Chocolate Martini

from Maria Krause

bittersweet chocolate sauce
maraschino cherries
2 cups cracked ice
4 oz. premium vodka
4 oz. vanilla vodka
4 oz. Godiva White Chocolate Liqueur
4 oz. Godiva Dark Chocolate Liqueur
4 oz. Kahlua
4 oz. half-and-half

Fill a small squeeze bottle with your favorite chocolate sauce. Create a spiral pattern of chocolate in the martini glasses. Squeeze a generous amount of chocolate onto 4 cherries and place in the bottom of each glass.

Fill a metal cocktail shaker with cracked ice; place top on shaker and shake for 10-15 seconds. Add the vodkas, chocolate liqueurs, Kahlua and half-and-half and shake until frothy, about another 15 seconds.

Strain liquid into prepared glasses and serve immediately.

Makes four cocktails.
